CHILE ECLIPSE Glamping Experience 2019

4 Days Experience

Glamping Experience CHILE ECLIPSE 2019

July 1st – July 4th 2019

4 Days Experience

Day 1: July 1st, 2019

La Serena – Valle del Elqui – Eclipse Glamp.

Departure from La Serena airport, where our Guides Staff and 4x4 vehicles, will be waiting to take us to our Eclipse Glamp, located in Cochiguaz, the heart of the Elqui Valley (105 KMS from La Serena).

Our experience begins on the way to the Puclaro Reservoir, here we will have a coffee break with typical products of the zone. Later, we will continue in direction to Montegrande to meet our Chef that will be waiting us with our lunch. After the lunch, we will go ahead to the Eclipse Glamp, there we will have time to rest and at night we will delight with an incredible dinner. To end our first day, we will enjoy a cocktail prepared around a bonfire.

Day 2: July 2nd 2019

Eclipse Glamp – Sighting Eclipse – Return to Eclipse Glamp.

From our Eclipse Glamp we will start our journey in direction to the observation point (ANTAKARI ROUTE). Once we reach this place, we will have time to have lunch. In the afternoon we will prepare for enjoy this unique and unforgettable experience of observation of the eclipse that will have its maximum spectacle at 16:40 pm. After this sighting we will return to Eclipse Glamp.

Glamping Experience CHILE ECLIPSE 2019

July 1st – July 4th 2019

4 Days Experience

Day 3: July 3rd, 2019

Eclipse Glamp – Pisco Elqui – Alcohuz – Eclipse Glamp

From Elqui Valley we will go in direction to Pisco Elqui, a touristic town where we would appreciate the Church, the main square and the typical constructions of this place. Then, we will go ahead to **Pisquera Los Nichos**, known for being the oldest factory of Pisco in Chile, here we will have the chance to taste and enjoy its products. To continue our journey, we will go to Alcohuz, a beautiful little town that will surprise us with its lovely landscape. Here we will have time to lunch at a local restaurant.

In our way back, we will stop at a fair of local artisans in Horcón. At night we will finish our activities in an observatory to know its facilities and be able to see the beautiful Elquino Sky.

Day 4: July 4th, 2019

Eclipse Glamp – Pichasca – Socos Thermal center – Drop off at La Serena Airport

Valle del Limarí We will start this day visiting the Pichasca park, in which show us their archeological samples and the closest town to the route finishing in the Valle del Encanto. We will finish our activity in the Socos hot springs, wherein we will have lunch and we will have time enough to give us a massages or take a bath in the thermal swimming pools of the SPA.. This is the last destination before to head the La Serena airport to return to Santiago.

DOCUMENTATION

It is each passenger's and their Travel Agent's responsibility to ensure they have the corresponding documents to make the trip. Passenger must be informed and prepared to fulfill the visa, vaccination and any additional conditions required to visit the country. Passengers must take care of paying the generated costs of non-fulfillment or lack of information when they access each country or travel across this mentioned country.

In the case of Chilean and Foreign passengers, it is a requirement to present their foreign documents, or they will be directly charged with the IVA (19% of the rate).

GENERAL CONDITIONS SPORTSTOUR® CHILE ECLIPSE EXPERIENCE 2019

CONFIRMATIONS, CHANGES AND CANCELLATIONS

SPORTSTOUR® is committed to send individual written replies for bookings requests within 48 working hours, with the exception of unforeseen conditions or force majeure reasons that may interfere in clients and suppliers normal communication channels.

A service is not considered requested if there is not a written request. Likewise, a booking is valid only if SPORTSTOUR® does it by written means. The same condition applies to changes and cancellations.

SPORTSTOUR® makes the requested reservations, changes and cancellations, according to the conditions stipulated by each supplier. These conditions may change according to the product, service, number of passengers, season, or other reasons.

It is very important to consider that modifications in the original booking may generate changes on the final quotation.

It is important to inform the SPORTSTOUR® Reservation Number (FF) in case of a change in any reservation, in order to facilitate the file's localization.

It is understood that conditions may vary for individuals and groups, or for certain dates and seasons.

Likewise, SPORTSTOUR® obeys prepayment and payment policies, reserve signal rules, refunds, fines and restriction established by the products and services suppliers.

Although SPORTSTOUR® will try to avoid cancellation charges, the client must accept expenses incurred and charges established by the supplier, which may add be up to 100% of the original.

"In the event of any guest being "no-show" at the confirmed hotel property, the room rate will be charged including an additional 19% VAT."

PASSENGER INFORMATION

It is the Outbound Tour Operator's responsibility to provide SPORTSTOUR® with all the information regarding each passenger, at least one week before their arrival. This applies specifically to passengers who will travel in crafts such as Australis Cruises, Skorprios, Andean Crossing and others, or by local airlines.

The information refers to: passenger's full name, date of birth, citizenship and passport number.

Please, ask your SPORTSTOUR® Account Executive for the passenger form.
